How to get to the RJ Osaka Office

- * You can either take the JR Line to Osaka Station or the Midosuji Subway Line to Umeda Station. Please note that Osaka Station and Shin-Osaka Station are NOT the same station. If taking the JR Line, be sure to get off at Osaka Station.

From JR Osaka Station

Osaka Ekimae #4 Building is on Midosuji Avenue. Once you have arrived at Osaka Station look for Midosuji Exit (northwest). There are several exits, so be sure to go out Midosuji Exit.

When you have passed through the ticket gates, follow the signs for Midosuji South Gate. Once you can see Hanshin Department Store right in front of you, go up in the elevator on your left and cross the footbridge toward the store. Walk down the slope on the left side of the road and walk along the street heading south. You'll see Shin Hankyu Building first and then next to it is the Osaka Ekimae #4 Building.

MIZUHO bank is on the first floor of this building. Take the elevator to the 21st floor.

From Midosuji Subway Station

Once you arrive at Umeda Station, look for and go out South Exit #M16. Walk forward with your back against the exit and past the McDonald's store. Go up to ground level using the front stairs. Same as the directions above, walk along the street heading south. You can see the Osaka Ekimae #4 Building next to the Shin Hankyu Building.
